

Dear Friends,

As you no doubt already know, Les Délices is committed to making a big impact in Cleveland (and beyond). We bring together local and out-of-town artists with national reputations who share a passion for exquisite music from the French Baroque. We're committed to unusual and entertaining programming juxtaposing important works with neglected masterpieces. And we aim to be at the cutting edge in historical performance: research, improvisation, and composition in historical styles are touchstones of our artistic approach.

With growing audiences, touring opportunities, and recording plans, it's an exciting time for Les Délices, but your support remains crucial to our continued success. Because we are such a small organization, every gift makes an impact.

THANK YOU!
